Advisory Service Fact Sheet

Title	Communication strategy; project generation (July, Sep.), Setting up and running MA/JTS (Aug.)
Venue	Ljubljana, Slovenia
Date	22-23 July 2004, 26-27 August 2004, 6-07 September 2004
MT Project manager	Vesna Caminades Vesna.caminades@interact-eu.net , mobile +43 664 826 84 23
Experts Participants	Joerg Saalbach, Pertti Hermannek 10 (July), 10 (August), 10 (September)
Outline	The advisory session in Slovenia was sub-divided in three moments dealing each time with different topics. This way it was possible to concentrate on certain issues and to discuss them in detail. It is essential to find an expert who is able to understand the reality of the programme interested in the advisory, since it is essential for being able to provide consultancy out of the own experience.
