

## Thematic focus

The two programmes provide thematic support to focus projects and results in the following fields:

### Interact

migration - sustainable transport - climate change - inclusive growth - institutional capacity - maritime knowledge

### Interreg Europe

research and innovation - SME competitiveness - low-carbon economy - environment and resource efficiency

## Who is it for?

Interact provides tailored services to improve the thematic focus of Interreg programmes and support all stakeholders: managing authorities, joint secretariats, monitoring committees, contact points, etc. Interact closely collaborates with EU-wide organisations, institutions and networks.

The Policy Learning Platform offers peer learning opportunities & expert support to all policymakers in Europe, specifically:

- Managing authorities of Structural Funds programmes, including Interreg programmes
- Regional and local authorities

## Benefits

- **Networking** and exchanges through a set of thematic collaboration platforms
- Regular **thematic trainings and events**, tailored to the specific group needs
- **Analysis** and reports about Interreg projects
- Tools for implementing capitalisation activities, including **thematic guides**, templates, infographics, instructional videos and **repositories of best practices**
- **Guidance** on capitalisation and **communication of results**
- **Advisories** and a dedicated **hotline** aimed at supporting the use of capitalisation approaches in the programme life-cycle

- **Networking events** and online discussions to share project good practices and results with regional policymakers and relevant EU initiatives
- **Tailored advice** from the expert helpdesk, such as relevant good practices, publications, events, peers and more
- On-site **peer review** to discuss approaches and solutions to a specific policy challenge with expert-selected peers.
- Submit thematic good practices for expert validation and **learn from others** through the good practice **database**
- **Policy briefs**, articles and news on the latest EU policy trends

## Our communities

More than 70 cooperation programmes and 350 stakeholders involved in 6 capitalisation networks, with thousands of Interreg projects and results available for analysis and sharing: [www.keep.eu](http://www.keep.eu)

Over 14,500 regional policymakers and practitioners, including over 1500 partners covering 83% of NUTS2 regions in 184 interregional cooperation projects.
