

# Cross-border observation - The case of Örestat/Ørestat

- A project from the previous programming period Interreg IVA Öresund-Kattegat-Skagerrak
- Project sought under the theme "Business development and entrepreneurship"
- Total budget: 1 340 349 EUR, 50% Co-financing.
- Partners: Region Skåne/Scania, Region Sjælland/Zeeland, Helsingborg City, Landskrona Municipality , Malmö City, Arbetsförmedlingen/The Swedish Public Employment Service, Öresundskomiteen, Capital Region of Denmark

Danmark

Sverige

**Øresundsregionen**

Tyskland

Polen

# The Öresund database

- The Örestat-cooperation
- A Cooperation between Regions, Cities and Statistics Sweden/Statistics Denmark
- Flows across the strait
- Harmonised, comparable statistics
- Unique data
- [www.orestat.se](http://www.orestat.se) / [www.orestat.dk](http://www.orestat.dk)

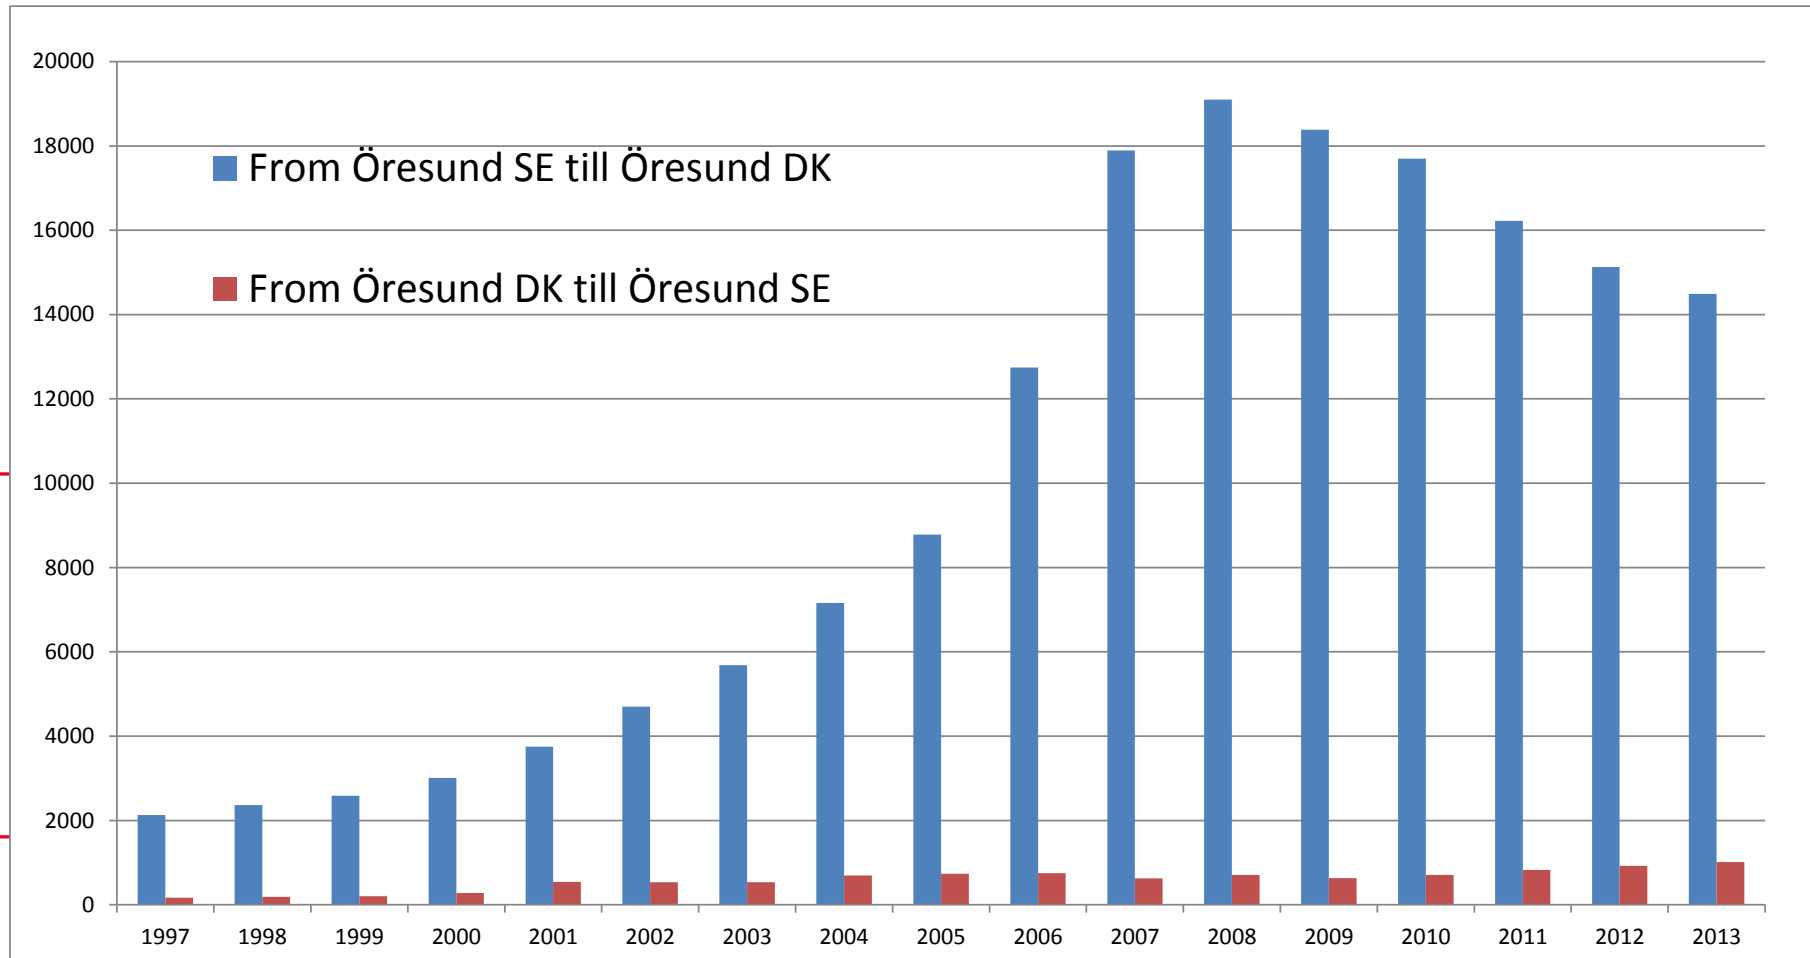

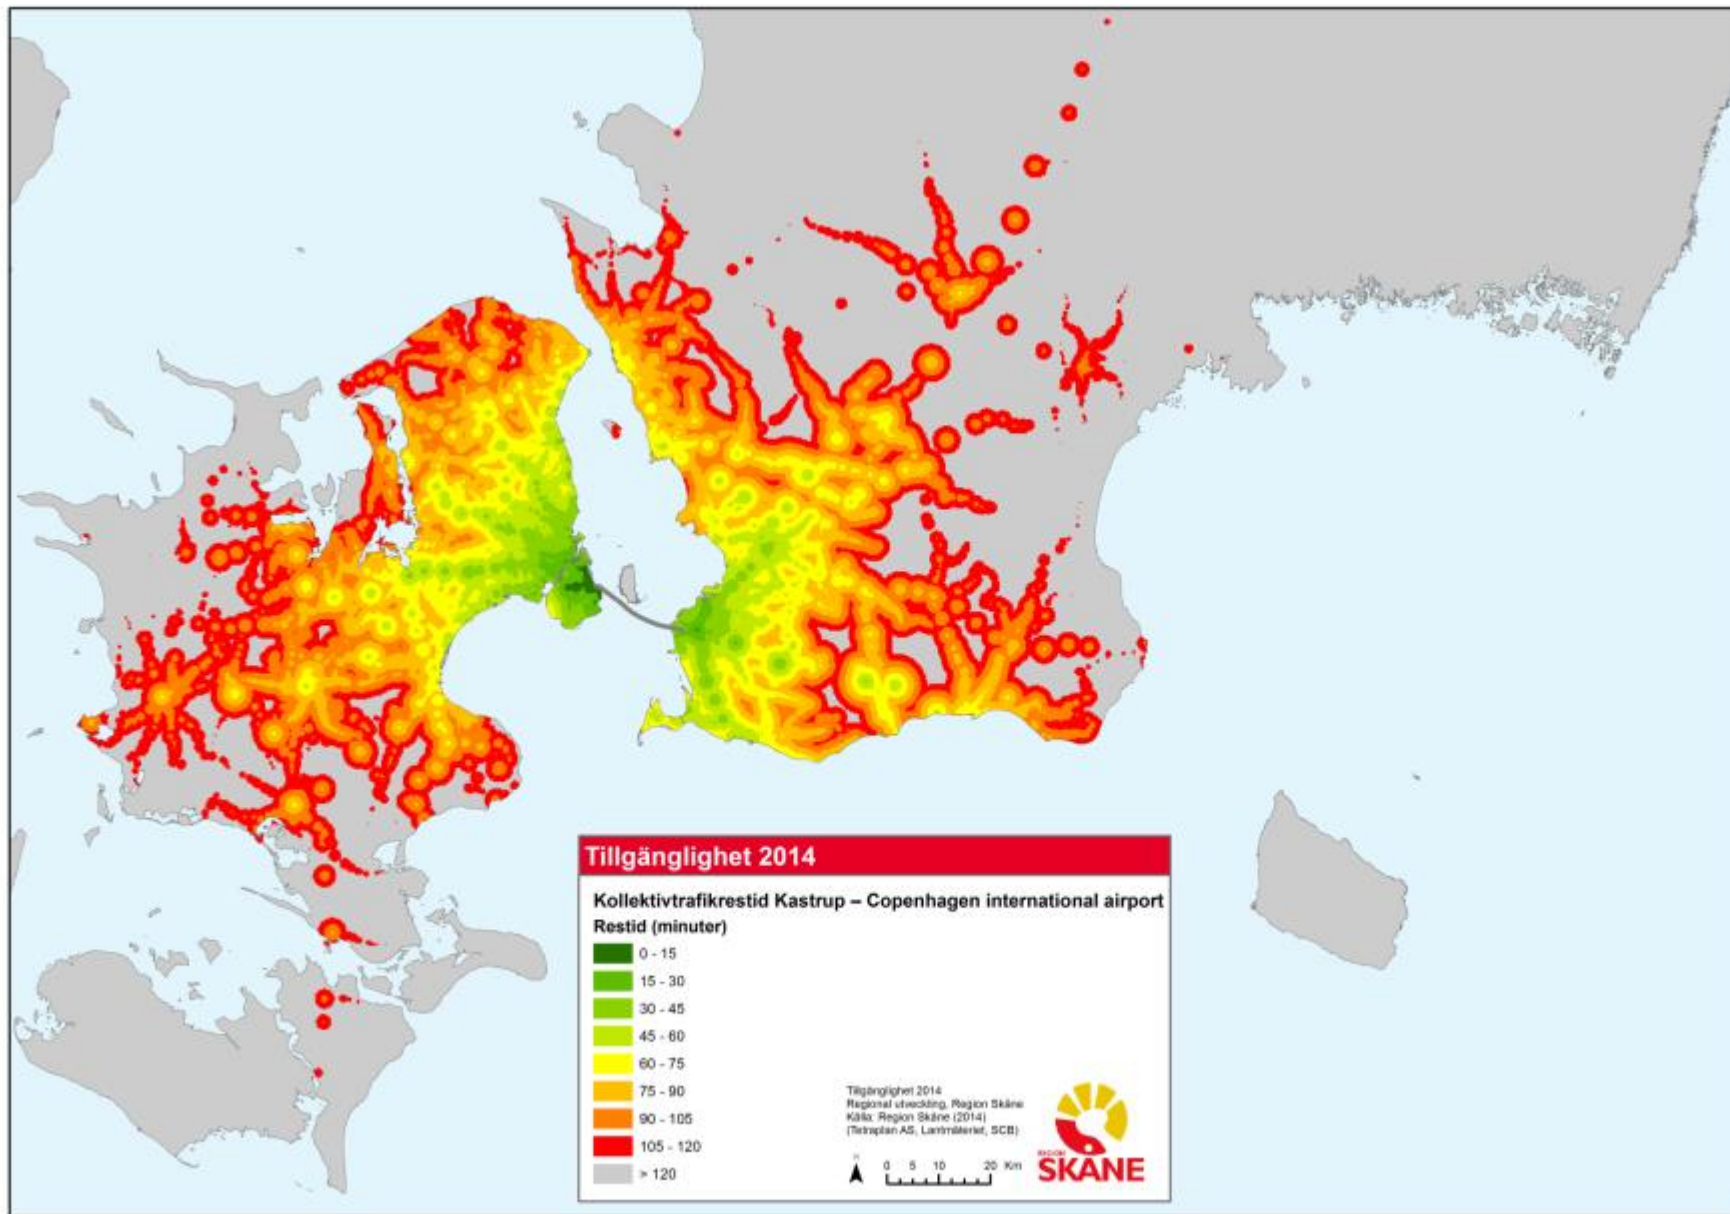

# Örestat III-projekt 2011-2014

- Interreg IV A Öresund – Kattegat – Skagerak
- Develop new statistical information to follow the development and integration in the Öresund region.
- Create a new and more user-friendly database and website.
- Secure funding for the management of the annual update of the database after the project has ended.

# Commuting across The Öresund strait

# Obstacles

- Bureaucratic issues
- Hidden statistics
- Methodological issues
- Financial issues
- Need for EU-standard

## OECD - The case of Oresund (Denmark-Sweden) – Regions and Innovation: Collaborating Across Borders (s.52)

- "The availability of cross-border statistics and research in the Oresund is the envy of many other cross-border areas."
