# ALCOTRA : a Programme committed to youth

European cooperation day 2017  
200 young participants

Storytelling contest on climate change in 2020

2022: Creation of the Youth Council as a member of the governance

Implementation of a « Youth label » to reward projects that support challenges faced by young people

Creation of a podcast to raise awareness on the European elections

Creation of a white paper on climate change

Post 27: building the future of cross-border cooperation together

The ALCOTRA Programme has been committed to young people for several years, and several actions have been carried out, leading to **the creation of the Youth Council.**
