# Simplifications for small projects

- One step application - faster process
- Shorter Application Form with less questions
- Shorter reporting form
  
- Lots of SCOs (but the same for all projects)

# When to opt for a small project?

- New to Central Baltic? Start with a small project!
- Opportunity for smaller organizations with limited funds available for pre-financing.
- Opportunity for smaller, more local initiatives.

# When to opt for a small project?

Check the Manual- 2.2. Different types of projects

- Most suitable for PO7 and PO6
- New to Central Baltic? Start with a small project!
- Opportunity for smaller organizations with limited funds available for pre-financing
- Opportunity for smaller, more local initiatives
- Results can be achieved using the SCOs only (but real costs also allowed for small projects above 200 000)
- Project can be implemented in 18 months max.
- Shorter procedure and simplified application form allows to approve and implement projects quicker - react to needs quicker

**NB - projects with less than 200 000 Euro budget cannot use real costs - SCOs only!!!!**
